1 EADS Environmental Policy Towards Eco-Efficiency (Ref. [EADS CDS-006](#))

This document defines the EADS Environmental Policy towards eco-efficiency:

- statement of intent,
- commitment,
- implementation,

in order to continuously improve the EADS environmental performance throughout the life cycle of its products and provide comprehensive information to all legitimate stakeholders.

Its objective is to establish a common reference for all Divisions and Business Units within EADS (including Airbus).

Airbus is fully committed to endorse, localize and apply the EADS Environmental Policy towards Eco-Efficiency.
