

FEDERAL REPUBLIC OF GERMANY
FEDERAL OFFICE OF DEFENSE TECHNOLOGY AND
PROCUREMENT (BWB)

Certificate of Approval
as a Contractor for Bundeswehr Aircraft/Aircraft Systems and Equipment

Certificate No: BWB-3041N - A14/07/01

In accordance with § 30 of the German Air Navigation Act (LuftVG) and in conjunction with Bundeswehr Joint Service Regulation ZDv 19/1, the company

Airbus Deutschland GmbH
Kreetslag 10
D-21129 Hamburg

with its establishments in Hamburg, Bremen, Nordenham, Varel and Stade is hereby approved by the Federal Office of Defense Technology and Procurement (BWB) as a contractor for work involving Bundeswehr aircraft/aircraft systems and equipment, subject to the restrictions stipulated in the attached Annex.

The company is qualified to develop, manufacture, and repair the Bundeswehr aircraft/aircraft systems and equipment listed in the attached Annex and establish their airworthiness in accordance with applicable regulations. To this end, the company maintains a quality management system suitable for these Bundeswehr aircraft/aircraft systems and equipment.

This Certificate is based on my verification and on continuous monitoring of the company's facilities on the basis of the civil aviation requirements as adapted to Bundeswehr aircraft/aircraft systems and equipment, and on the product and performance related quality assurance requirements as laid down in the Annex. This Certificate is valid until the date below unless it is prematurely returned, temporarily suspended or revoked in total or in part.

The validity of this Certificate is subject to the application of the established quality management system and to the maintenance of the quality and performance level as certified. Any amendments to the system documentation shall require my prior approval.

This Certificate is valid until:
31st October 2009

Koblenz, 31st October 2007
