

Airbus Specification / Nadcap commodity Cross Table issued June 11, 2010

Sorted by Airbus Specification Reference

Foreword:

This table is given for information only and shall not be considered as a reference.
It is an help for establishing the link between Airbus specifications and Nadcap commodities mandated by Airbus.
Revision date or issue of Airbus specifications are dated May 05, 2010.
Suppliers shall use applicable specification revision date or issue as required in contract agreement or purchase order.

Nadcap Commodities mandated by Airbus are:

COMP = Composite Manufacturing
CP = Chemical Processing
ETG = Electronics
HT = Heat Treating
MTL = Metallic Material Testing
NDT = Non Destructive Testing
NMMT = Non Metallic Material Testing
SE = Surface Enhancement
WELD = Welding
