20,408 Aircraft sold
37,000+ Daily flights
12,967 Delivered

We make it fly!
Airbus people make the difference

Diversity is in our DNA

Encourage more women to join the aerospace industry

Strong commitment to training

Attract the brightest international talent
The Airbus Family of versatile new-generation aircraft

**Single-aisle Family**

- A321neo
- A320neo
- A319neo
- A220-300
- A220-100

**Widebody Family**

- A350-1000
- A350-900
- A330-900
- A330-800
Airbus common family values

Unique cockpit commonality

Family concept saves time and money  Mixed fleet flying  Fly-by-wire controls and cross-crew-qualification
Airbus cabins – pleasing more passengers

The latest technology for a comfortable and connected travel experience

Wider cross-section for more personal space
Unique cabin commonality for flight attendants
Purpose-built for efficiency

639 Orders
123 Delivered

A220 FAMILY

Radical innovator
Superior single-aisle comfort
Highest efficiency and lowest risk

Source Airbus September 2020
Unbeatable fuel efficiency

A320 FAMILY

The best keeps getting better, creating even more value for airlines

The most successful aircraft family ever

Airspace cabin: perfect space for passengers and airlines

Source Airbus September 2020
A321 XLR opening new markets from 2023

Single aisle economics, up to 4,700nm range

Low risk route opener

Profitable partnership with A330neo
Powering into the future

A330neo is a true new generation

The most popular widebody Family - ever

Airspace cabin: perfect space for passengers and airlines

1,818 Orders
1,501 Delivered
