5 Closing of the Meeting
Dear shareholders, Dear stakeholders,

2019 was an historic year for Airbus, as we celebrated our 50th anniversary. I am proud to say that since 1969 we have been innovative pioneers who have helped transform the aerospace and defence industry.

It was also a defining year when a new generation of management took the helm. Your Board diligently followed a comprehensive process designed to identify and recruit the best candidates, including the new Chief Executive Officer, Chief Financial Officer and Chief Operating Officer.

Recruited from outside and within, this new generation has the required expertise to continue driving aerospace innovation and address the challenges and opportunities of 2020 and beyond. The 12-strong Executive Committee is focusing not only on the Company’s industrial and financial performance but also on customer trust, employee engagement and sustainability.

Operationally, the new management took over at a testing time. From a geopolitical perspective, Airbus has had to navigate global trade tensions and potentially disruptive events like Brexit.

At an industrial level, the new team has made a smooth start, addressing the issues related to the ramp-up of A320neo Family aircraft production, particularly for the larger and more complex A321. Despite this, Airbus delivered a record number of commercial aircraft while also having a successful year in terms of orders.

Defence and Space took significant steps towards achieving the A400M transporter’s full technical capability and rebaselined the programme even though a new charge was recorded for revised export assumptions. Looking to the future, it made further progress on Europe’s next generation Future Combat Air System and successfully met key milestones in Ariane 6’s development. Helicopters saw good growth in services, although the civil and parapublic market remained soft, and managed a healthy overall financial performance.

Your Board continued to visit industrial sites, staying close to the products and businesses. During the year we met management and employees at the A220 final assembly line in Mirabel, near Montreal.

The Board committees once again had a busy year. I would like to thank the Remuneration, Nomination and Governance Committee, especially the Chair, Amparo Moraleda, for preparing the management transition for the wider Board. Additionally, Catherine Guillouard made a strong start as the new Chair of the Audit Committee, mastering business and external challenges.

The compliance-related settlements reached with the French, UK and US authorities in January 2020 turned the page on unacceptable business practices from the past. The commitment from the Ethics and Compliance Committee, together with the Board, to provide full support to the investigations, ensure strong cooperation with the authorities and supervise the implementation of an effective compliance programme, paved the way to these agreements. More broadly, conducting business in a responsible and sustainable manner is now at the heart of the Company’s priorities. The 2019 accounts included a charge related to the penalties that the Company agreed to pay under the terms of the agreements with the authorities.

In line with the policy of staggered appointments, 2020 will see two Directors step down and two join after the AGM. I would like to thank Hermann-Josef Lamberti, the former long-standing leader of our Audit Committee, who leaves after more than 12 years. I have also announced my own departure after seven years. The Board has selected René Obermann to replace me as Chairman, to be confirmed at the Board meeting after the AGM. René is a respected former European technology CEO, with vital insights for Airbus’ strategy over the coming years. He already knows Airbus well, having been a Director since 2018.

After a rigorous selection process, we will propose the election of Stephan Gemkow and Mark Dunkerley to become new Members of the Board at the 2020 AGM. Each brings widespread experience of the commercial airline and aviation industry, including finance related roles. The mandates of Ralph D. Crosby, Jr. and Lord Drayson (Paul) are up for renewal.

Reflecting our ongoing commitment towards sustained dividend growth, the Board proposes a dividend of €1.80 per share for 2019 (2018: €1.65) despite the charges recorded in the year.

In summary, 2019 was the year of a successful management transition to prepare your Company for the future, as well as a celebration of an extraordinary 50 years. I would like to thank our employees who have made these accomplishments both possible and successful, and all our stakeholders for their faith in the Board and management. For me, it has been a great honour to serve Airbus, with real passion and pleasure, and I extend my best wishes to my successor.

Yours sincerely,

Denis Ranque
Chairman of the Board

Presentation of the third resolution
We recommend that this AGM releases the current Members of the Board of Directors, and the former Members of the Board of Directors whose mandate expired in 2019, from liability for the performance of their duties during and with respect to the financial year 2019, to the extent that their activity has been reflected in the audited annual accounts for the financial year 2019 or in the report of the Board of Directors or was otherwise properly disclosed to the General Meeting.

4

Fourth resolution

RELEASE FROM LIABILITY OF THE EXECUTIVE MEMBER OF THE BOARD OF DIRECTORS
RESOLVED THAT the Executive Member of the Board of Directors be and hereby is granted a release from liability for the performance of his duties during and with respect to the financial year 2019, to the extent that his activity has been reflected in the audited annual accounts for the financial year 2019 or in the report of the Board of Directors.

Presentation of the fourth resolution
In 2019, the Audit Committee monitored and reviewed external auditors independence, objectivity, qualification, proven performance and also the effectiveness of their auditing process. The Audit Committee presented to the Board of Directors its conclusions as a result of the evaluation, previously described, and made recommendations to the Board of Directors to reappoint EY as Airbus external auditors for the financial year 2020. Therefore, we recommend that the Company’s auditor for the financial year 2020 should be Ernst & Young Accountants LLP, The Netherlands, whose registered office is at Boompjes 258, 3011 XZ Rotterdam in the Netherlands.

5

Fifth resolution

RENEWAL OF THE APPOINTMENT OF ERNST & YOUNG ACCOUNTANTS LLP AS AUDITOR FOR THE FINANCIAL YEAR 2020
RESOLVED THAT the Company’s auditor for the accounting period being the financial year 2020 shall be Ernst & Young Accountants LLP, The Netherlands, whose registered office is at Boompjes 258, 3011 XZ Rotterdam in the Netherlands.

Presentation of the fifth resolution
In order to comply with the requirements of the new Dutch regulations implementing the Revised European Shareholder Rights Directive, starting in 2020, the remuneration policy of the Board of Directors shall be submitted for approval by the shareholders at least every four years.

6

Sixth resolution

ADOPTION OF THE REMUNERATION POLICY OF THE BOARD OF DIRECTORS
RESOLVED THAT the remuneration policy of the Board of Directors, as described in the report of the Board of Directors, including the proposed amendments, be and hereby is accepted and adopted.

Presentation of the sixth resolution
In order to comply with the requirements of the new Dutch regulations implementing the Revised European Shareholder Rights Directive, starting in 2020, the remuneration policy of the Board of Directors shall be submitted for approval by the shareholders at least every four years.
of the Resolutions

In addition and as it was already the case, amendments to the policy require the approval of the shareholders. Consequently, we recommend that this AGM approves, with effect as of 1 January 2020, the remuneration policy of the Board of Directors, as described in the Company’s 2019 report of the Board of Directors (Section “4.4.2 Remuneration Policy”), including the proposed amendments (Section “4.4.3 Proposed Amendments included in the Remuneration Policy”).

The structure and substance of the remuneration policy of the Board of Directors submitted for approval is materially identical to those of the policy currently applicable and approved by the AGM. To comply with the requirements of new Dutch regulations, the remuneration policy has been further detailed and refined in certain aspects. In addition, this year the remuneration policy submitted to you contains a limited number of amendments, as described below.

Proposal to include a responsibility & sustainability component in the CEO’s Variable Remuneration

The current collective part of the Variable Remuneration scheme of the CEO is based only on financial key value drivers. In line with market practices and as announced in the Company’s 2018 report of the Board of Directors, in order to reinforce the alignment between the Company’s strategy, its values and its remuneration structure, the Board proposes the introduction of a responsibility & sustainability (R&S) component in the Common Collective Component of the CEO’s Variable Remuneration. The R&S component will replace the existing RoCE criterion and will represent 20% of the Common Collective Component. Consequently, it is proposed that the new partition of the components be as follows from 1 January 2020: EBIT (40%), FCF (40%) and R&S (20%). Among other matters, criteria giving effect to the R&S component could be related to health & safety, climate and/or people in line with the Company’s Priorities. These principles will also apply to the other Members of the Executive Committee, who do not serve on the Board of Directors, and to a large extent to all Executives employed by Airbus.

Proposal to amend the CEO’s pension policy

In line with market practices, the Board also proposes to amend the CEO’s pension policy and to move from a defined benefit commitment to contributions based pension plans. From 1 January 2020, in addition to local applicable mandatory collective and state pension plans, the annual accrued pension rights of the CEO will be built through a contribution of 20% of the annual pensionable remuneration, subject to applicable local practices (if any). This change will also apply to the majority of the members of the Executive Committee and will apply to all future members of the Executive Committee.

For further information on the remuneration policy, please refer to Section “4.4.2 Remuneration Policy” of the report of the Board of Directors.

We recommend that this AGM approves the implementation of the remuneration policy during the financial year 2019, as disclosed in the report of the Board of Directors. Please see Section “4.4.3 Implementation of the Remuneration Policy: CEO” and Section “4.4.5 Implementation of the Remuneration Policy: Non-Executive Directors” of the report of the Board of Directors.

RESOLVED THAT Mr Mark Dunkerley be appointed as Non-Executive Member of the Board of Directors for a term of three years, ending at the close of the Annual General Meeting which shall be held in the year 2023, in replacement of Mr Denis Ranque whose mandate expires as of the close of this Annual General Meeting.

10

Tenth resolution

RENEWAL OF THE APPOINTMENT OF MR RALPH D. CROSBY, JR. AS NON-EXECUTIVE MEMBER OF THE BOARD OF DIRECTORS FOR A TERM OF THREE YEARS

RESOLVED THAT the appointment of Mr Ralph D. Crosby, Jr. be renewed as Non-Executive Member of the Board of Directors for a term of three years, ending at the close of the Annual General Meeting which shall be held in the year 2023.
Eleventh resolution

RENEWAL OF THE APPOINTMENT OF LORD DRAYSON (PAUL) AS NON-EXECUTIVE MEMBER OF THE BOARD OF DIRECTORS FOR A TERM OF THREE YEARS

RESOLVED that the appointment of Lord Drayson (Paul) be renewed as Non-Executive Member of the Board of Directors for a term of three years, ending at the close of the Annual General Meeting which shall be held in the year 2023.

Presentation of the eighth to eleventh resolutions

As announced in the previous years, Board mandates are to be renewed every year by blocks of four, for a term of three years in order to ensure a smooth transition of the Board composition now and in the future and to be in line with best practices. This is to avoid large block replacements of Directors at one single AGM, with the consequence of an overload of integration challenges.

The Board recommends that this AGM appoints, as Non-Executive Member of the Board, Mr Mark Dunkerley, for a term of three years, ending at the close of the AGM which shall be held in the year 2023, in replacement of Mr Denis Ranque whose mandate expires at the close of this AGM. Since 2019, Mr Dunkerley serves as Non-Executive Director of Spirit Airlines Inc., a NASDAQ listed US airline, and, since 2018, of Volotea Airlines, a privately-owned low-cost airline operating in Europe. Between 1989 and 1999, he was a senior partner at British Airways plc, in a corporate strategy capacity as well as in regional roles in Europe and the USA encompassing notably the management of sales, marketing, customer services, operations, finance, industrial relations, human resources and alliances. Thereafter, Mr Dunkerley successively served as President and COO of Worldwide Flight Services, a leading multinational ground handling business, as Executive Vice President at the San Francisco-based aviation consultancy firm, Roberts Roach & Associates and as COO at Sabena Airlines Group. In 2002, he joined Hawaiian Airlines, first as President and COO and from 2005 as President and CEO where he led the transformation of the company from bankruptcy into one of the world’s most successful airlines from which he retired in 2018. The Company considers that with his comprehensive expertise in airline industry developments, Asian markets, finance and governance, Mr Dunkerley has the right competencies and expertise to fulfil this position in line with the expectations of the Board of Directors.

The Board recommends that this AGM appoints, as Non-Executive Member of the Board, Mr Stephan Gemkow, for a term of three years, ending at the close of the AGM which shall be held in the year 2023, in replacement of Mr Denis Ranque whose mandate expires at the close of this AGM. Since 2018, Mr Gemkow serves as non-executive member in the Board of Directors of Amadeus IT Group, a major IT provider for the global travel and tourism industry listed on the Spanish stock exchange. Mr Gemkow is also a Non-Executive Director of Flughafen Zürich AG, a SIX Swiss Exchange listed company owning and operating the Zurich Airport and of JetBlue Airways Corporation, a NASDAQ listed major American low-cost airline. Mr Gemkow also serves as non-executive member of the Board of Directors of C.D. Waalhzioljoy GmbH & Co. KG. With his extensive knowledge of the airline industry and comprehensive expertise in finance, gained over a 22-year career at Deutsche Lufthansa where he held various management positions, including as Sales Manager, Head of Investor Relations and Head of Corporate Finance, Chief Financial Officer and Human Resources for the Cargo division as well as six years as Chief Financial Officer and member of the Management Board of Deutsche Lufthansa AG, Mr Gemkow has the right competencies and personal skills to fulfil his position in line with the Board’s expectations. As CEO and Chairman of the Board of Directors of Franz Haniel & Cie. during seven years, which he drove through important restructuring and investment phases in a complex stakeholder management context, he developed a broad Chairman and Board experience and demonstrated strong strategic and entrepreneurial capabilities. Mr Gemkow furthermore served as Chairman on the Supervisory Boards of TAKKT AG and Celesio AG (now known as McKesson Europe AG), and as member of the Supervisory Board of Evonik Industries AG.

In addition the Board recommends that this AGM renews the appointment of Mr Ralph D. Crosby, Jr. as an independent Non-Executive Member of the Board of Directors for a term of three years, ending at the close of the AGM which shall be held in the year 2023. Mr Crosby, Jr. presently serves as an independent director of American Electric Power headquartered in Columbus, Ohio, where he chairs the Human Resources Committee and of Excellitas Holdings, LP headquartered in Boston. From 2002 to 2012, Ralph D. Crosby, Jr. was a member of the Company’s Executive Committee and served as Chairman and CEO of EADS North America from 2002 to 2009. Prior to joining the Company, Mr Crosby, Jr. was an Executive with Northrop Grumman Corporation, where he had served as a Member of the Corporate Policy Council with positions including President of the Integrated Systems Sector, Corporate Vice President and General Manager of the company’s Commercial Aircraft Division and Corporate Vice President and General Manager of the B-2 Division. With his strong industrial background including in leading large and complex programmes and his sound executive leadership experience, Mr Crosby, Jr. provides valuable operational insights to the Board of Directors and its Audit Committee. In addition, based on his profound knowledge of the defence and US markets he brings great strategic vision to Airbus regarding its defence activities and the USA.

Finally, the Board recommends that this AGM renew the appointment of Lord Drayson (Paul) as an independent Non-Executive Member of the Board of Directors for a term of three years, ending at the close of the AGM which shall be held in the year 2023. Lord Drayson (Paul) is an entrepreneur. He currently serves as Chairman and CEO of Drayson Technologies Ltd, an Internet of Things platform company that he co-founded in 2014. He also serves as CEO of Sensyne Health plc which he co-founded and took public. Between 1993 and 2003 he was Chairman and CEO of PowderJect Pharmaceuticals Plc, a company which he co-founded and eventually sold to a US firm. Until 2008, Lord Drayson was Managing Director of The Lamboum Food Company Limited (Trebor Group). In addition, since 2001, Lord Drayson (Paul) serves as Chairman of the U.K. Biotechnology Association. Member of the House of Lords (incl. of its Science and Technology Committee since 2004), he was appointed Parliamentary under Secretary of State for Defence Procurement in 2005, became Minister of State for Defence Equipment & Support in 2006 and Minister of State for Science & Innovation in 2008. With his technological background and experience in founding and leading successful businesses, Lord Drayson (Paul) brings the right skills for our innovation focus and digital journey. His UK expertise is highly valuable in the Brexit context given the importance of Airbus’ activities in the UK and his vast experience enable him to serve a crucial role on the Remuneration, Nomination and Governance Committee as well as on the Ethics & Compliance Committee.

The competencies of each one of these Board Members together with the high attendance rate at the Board and the Committees meetings (see Section 4.1.1 of the report of the Board of Directors) show a great involvement and dedication of our Directors to Airbus’ activities. The Board of Directors is therefore convinced that all Members being reappointed for (re-)appointment will demonstrate commitment to their role and perform their duties diligently and effectively. They are each chosen for their broad and relevant experience and international outlook as outlined in the charts next pages.

With these reappointments, the Company maintains the current proportion of 25% of female directors on the Board and will strive to improve the increase of this percentage in the future.

As previously announced, René Obermann has been pre-selected by the Board of Directors as future Chairman in replacement of Denis Ranque whose mandate as Non-Executive Member and consequently as Chairman of the Board shall expire at the close of this AGM. Mr Obermann’s appointment as Chairman will be submitted to the Board Members at the occasion of a meeting of the Board of Directors to be held immediately after this AGM.

Finally, the Company has adequate policies that require each Director to avoid any actual or apparent conflict of interest. Those policies require each Director to recuse him or herself from participating in any matter where he or she would have a personal conflict of interest, so that issue would be dealt with respecting the internal functioning of the Board of Directors. Please refer to the Board of Directors’ Internal Rules (Annex D – Article 8. Conflicts of interest) available on the Company’s website www.airbus.com (Company > Corporate Governance > Governance Framework and Documents) and the related Dutch Corporate Governance Code (Principle 2.7 Preventing conflicts of interest) with which the Company complies.

**12 Twelfth resolution**

DELEGATION TO THE BOARD OF DIRECTORS OF POWERS TO ISSUE SHARES, TO GRANT RIGHTS TO SUBSCRIBE FOR SHARES AND TO LIMIT OR EXCLUDE PREFERENTIAL SUBSCRIPTION RIGHTS OF EXISTING SHAREHOLDERS FOR THE PURPOSE OF EMPLOYEE SHARE OWNERSHIP PLANS AND SHARE-RELATED LONG-TERM INCENTIVE PLANS

RESOLVED THAT in accordance with the Company’s Articles of Association, the Board of Directors be and hereby is designated, subject to revocation by the General Meeting, to have powers to issue shares and to grant rights to subscribe for shares in the Company’s share capital for the purpose of Employee Share Ownership Plans and share-related Long-Term Incentive Plans (such as Performance Share plans), provided that such powers shall be limited to an aggregate of 0.14% of the Company’s authorised share capital from time to time and to limit or exclude preferential subscription rights, in both cases for a period expiring at the Annual General Meeting to be held in 2021. Such powers include the granting of rights to subscribe for shares which can be exercised at such time as may be specified in or pursuant to such plans and the issue of shares to be paid up from the Company’s reserves. However, such powers shall not extend to issuing shares or granting rights to subscribe for shares if (i) there is no preferential subscription right (by virtue of Dutch law, or because it has been excluded by means of a resolution of the competent corporate body) and (ii) it concerns an aggregate issue price in excess of €500 million per share issuance.

**Presentation of the twelfth resolution**

We recommend that this AGM delegates to the Board of Directors the authorisation to issue shares and to grant rights to subscribe for shares of the Company up to an aggregate of 0.14% of the authorised share capital, i.e. 4 million shares equivalent to 0.51% of the Company’s issued share capital as at the date of convening the AGM, and to limit or exclude preferential subscription rights, for a period expiring at the AGM to be held in 2021, including for the purpose of Employee Share Ownership Plans (“ESOP”) and share-related Long-Term Incentive Plans such as Performance Share plans (“LTIP”), since the previous authorisation expires at the end of this AGM. The Company anticipates implementing a LTIP in 2020 and an ESOP in 2021, subject to approval by the Board of Directors.

**13 Thirteenth resolution**

DELEGATION TO THE BOARD OF DIRECTORS OF POWERS TO ISSUE SHARES, TO GRANT RIGHTS TO SUBSCRIBE FOR SHARES AND TO LIMIT OR EXCLUDE PREFERENTIAL SUBSCRIPTION RIGHTS OF EXISTING SHAREHOLDERS FOR THE PURPOSE OF FUNDING THE COMPANY AND ITS GROUP COMPANIES

RESOLVED THAT in accordance with the Company’s Articles of Association, the Board of Directors be and hereby is designated, subject to revocation by the General Meeting, to have powers to issue shares and to grant rights to subscribe for shares in the Company’s share capital for the purpose of funding the Company and its Group companies, provided that such powers shall be limited to an aggregate of 0.3% of the Company’s authorised share capital from time to time and to limit or exclude preferential subscription rights, in both cases for a period expiring at the Annual General Meeting to be held in 2021.

Such powers include the issue of financial instruments, including but not limited to convertible bonds, which instruments may grant the holders thereof rights to acquire shares in the capital of the Company, exercisable at such time as may be determined by the financial instrument, and the issue of shares to be paid up from the Company’s reserves. However, such powers shall not extend to issuing shares or granting rights to subscribe for shares if (i) there is no preferential subscription right (by virtue of Dutch law, or because it has been excluded by means of a resolution of the competent corporate body) and (ii) it concerns an aggregate issue price in excess of €500 million per share issuance.

**Presentation of the thirteenth resolution**

In addition to the authorisation provided for in the abovementioned twelfth resolution, we recommend that this AGM delegates the authorisation to the Board of Directors to issue shares and to grant rights to subscribe for shares of the Company up to an aggregate of 0.3% of the authorised share capital, i.e. 9 million shares equivalent to 1.15% of the Company’s issued share capital as at the date of convening the AGM for the purpose of funding the Company and its group companies, and to limit or exclude preferential subscription rights, for a period expiring at the AGM to be held in 2021. This is in order to benefit from possible financial market opportunities and to provide flexibility to issue financial instruments, including but not limited to convertible bonds, which instruments may grant the holders thereof rights to acquire shares in the capital of the Company. This may involve one or more issues, each within the €500 million threshold per share issuance stipulated by the Company’s Articles of Association.
Fourteenth resolution

RENEWAL OF THE AUTHORITY FOR THE BOARD OF DIRECTORS TO REPURCHASE UP TO 10% OF THE COMPANY’S ISSUED SHARE CAPITAL

RESOLVED THAT the Board of Directors be and hereby is authorised, for a new period of 18 months from the date of this Annual General Meeting, to repurchase shares (or depository receipts for shares) of the Company, by any means, including derivative products, on any stock exchange or otherwise, as long as, upon such repurchase, the Company will not hold more than 10% of the Company’s issued share capital, and at a price per share not less than the nominal value and not more than the higher of the price of the last independent trade and the highest current independent bid on the trading venues of the regulated market of the country in which the purchase is carried out. This authorisation supersedes and replaces the authorisation given by the Annual General Meeting of 10 April 2019 in its thirteenth resolution.

Presentation of the fourteenth resolution

We recommend that this AGM approves the renewal of the authorisation to the Board of Directors to repurchase up to 10% of the Company’s issued share capital, for a new 18-month period by any means, including derivative products, on any stock exchange or otherwise. This authorisation will supersede and replace the authorisation pursuant to the thirteenth resolution granted by the AGM on 10 April 2019.

The share repurchase programmes to be implemented by the Company, if any, will be determined on a case-by-case basis by the Board of Directors.

It is important to note that the Board of Directors will only decide whether or not to proceed with any share buyback and determine its timetable, amount, method and pricing based on the market conditions at such time, and on other capital allocation considerations. The Board of Directors would be free to decide if and how the acquisition of shares takes place, within the framework of applicable law, and shall ensure that general principles of equal treatment of shareholders shall be complied with. The Board of Directors will also decide whether the shares acquired shall be cancelled or used for any other purpose.

For further information on the Company’s share buyback programmes including their purposes, characteristics and status, please refer to the Company’s website at www.airbus.com (Investors > Share Price & Information).

Fifteenth resolution

CANCELLATION OF SHARES REPURCHASED BY THE COMPANY

RESOLVED THAT any or all of the shares held or repurchased by the Company be cancelled (whether or not in tranches) and both the Board of Directors and the Chief Executive Officer be and hereby are authorised, with powers of substitution, to implement this resolution (including the authorisation to establish the exact number of the relevant shares to be cancelled) in accordance with Dutch law.

Presentation of the fifteenth resolution

We recommend that this AGM approves the cancellation (whether or not in tranches) of any or all the shares held or repurchased by the Company and that both the Board of Directors and the Chief Executive Officer be authorised with powers of substitution, to implement the cancellation (including the authorisation to establish the exact number of the relevant shares to be cancelled) in accordance with Dutch law.
