

Claudia Nemat

Claudia Nemat has been a member of the Deutsche Telekom's Board of Management since October 2011. She was responsible for the Board area Europe and Technology until the end of 2016 and has been responsible for Technology and Innovation since January 2017.

Before joining Deutsche Telekom AG, Claudia Nemat spent 17 years working for McKinsey & Company where she was elected Partner in 2000, and Senior Partner in 2006. Among other responsibilities, she was co-leader of the global Technology Sector and managed it in the EMEA economic region.

She focusses on digital transformation, the impact of new technologies such as artificial intelligence on business models, our work and lives, complex stakeholder management, and leading global teams.

She has worked in numerous European countries as well as North and South America, was a member of the Lanxess Supervisory Board for several years and has been a member of the Airbus Board of Directors since 2016.

Claudia Nemat studied physics at University of Cologne and taught at the Institute of Mathematics and Theoretical Physics.
