**Farnborough, 16 July 2018** – Goshawk Aviation Limited, the 50/50 joint venture between Hong Kong-based conglomerate NWS Holdings Limited and Chow Tai Fook Enterprises Limited, has placed a firm order for 20 A320neo.

Goshawk Aviation is based in Dublin, Ireland, and has an owned, managed and committed fleet of over 220 aircraft including the direct order with Airbus. Goshawk has more than 120 Airbus aircraft in its portfolio (A320 Family including NEO, A330 Family including NEO and A350-900) and the order for A320neo re-enforces the appeal of the world's bestselling single aisle Family.

Engine selection will be made at a later date.

Featuring the widest single aisle cabin in the sky, the efficient A320neo Family incorporates the very latest technologies including new generation engines and Sharklets, which together deliver more than 15 percent fuel and $CO_2$ savings from day one and 20 percent by 2020 as well as 50 percent noise reduction. With more than 6,100 orders received from over 100 customers, the A320neo Family has captured some 60 percent share of the market.
