

Sam HYAMS

Founder and CEO

SPRINGPOD

Sam Hyams is the Founder & CEO at Springpod, an online careers enablement platform that connects young people with top employers, universities and colleges.

Springpod works with Airbus and other partners to support over 250,000 young people aged 13-21 on its platform, enabling the next generation to experience the world of work and university before they apply via virtual work experience and virtual degree taster programmes.
