

Staying safe and healthy in the skies

What you can do

Take care
Be in good health
before starting
your journey

Before you travel
Check travel information
and guidance

Wear a mask
Covering nose and
mouth can reduce the
probability of inhaling
particulates to zero

Hands off
Avoid touching your
face, especially your
mouth, nose and eyes

Clean hands
Wash your hands
whenever you are
able to

Physical distance
Respect social distancing
at the airport

What we do for you

Clean air
Cabin air
renewed every
2-3 minutes

Purified air
HEPA* filters
remove 99,9%
of particles

*HEPA: High-Efficiency-Particulate Arrestors

Squeaky clean
Regular deep
cleaning of the
cabin

Contactless
Minimising contact
points on your
journey
