**Hyderabad, 26 March 2022** – Himalayan Heli Services Pvt. Ltd, India's leading helicopter company in the pilgrimage and aerial work sectors, today inducted the seventh Airbus H125 helicopter in its fleet. The helicopter will be used for passenger transportation and aerial work missions, beginning operations at the end of March 2022. The felicitation ceremony was held at the Wings India 2022 event at Hyderabad.

The H125 is known for its versatility, low maintenance, and low acquisition costs, while excelling in high and hot and extreme environments. With built-in manoeuvrability, excellent visibility and low vibration levels in the cabin, the H125 has earned its reputation as a true multi-mission workhorse.

Himalayan Heli Services Pvt. Ltd. is the largest operator of H125 in India & South Asia region. The operator has logged 50,000 flying hours using Airbus helicopters and has ferried more than 200,000 passengers through its various services since 1998.
