

Nick Peters

President & Chief Executive Officer, Government Services Division
International SOS Government Services, Inc.

Nick Peters is President and Chief Executive Officer of International SOS Government Services.

This division is responsible for Government business development and service delivery across the globe, including national Governments, Government agencies and Inter-Governmental agencies.

Peters' role encompasses the full complement of Government revenue generated across the globe, as well as the TRICARE Overseas Program (TOP) in the United States. Peters is also a member of the company's Group Executive Leadership Committee and sits on several subsidiary and joint venture boards for International SOS.

Nick Peters joined International SOS in April 2003. His background includes extensive experience in international P&L management and brand management. Peters holds a Master of Arts degree with Honors in English from the University of Aberdeen in the United Kingdom.
