

ILA Berlin 2024

Berlin ExpoCenter Airport, 05-09 June 2024

Please note that there may be changes to the conference line-up, so keep checking this document for updates during the air show.

Day 1: Wednesday, 5 June 2024

Time	Stage	Topic	Airbus Speaker
10:30-11:00	Defence Forum (Hall 3)	Official Opening ILA Airbus	Mike Schoellhorn, CEO Airbus Defence and Space
10:30 - 11:00	Aviation Future Lab (Hall 2)	Official Opening Future Lab Airbus	Sabine Klauke, Chief Technology Officer at Airbus
10:30-11:25	Advance Air Mobility (Hall 3)	The future of eVTOLs in Europe - Way ahead	Balkiz Sarihan, CEO Airbus Urban Mobility
12:00-12:45	Aviation Future Lab (Hall 2)	BMWK AAKL: Governmental working group on climate neutral aviation (in German)	Nicole Dreyer-Langlett. VP R&D, Managing Director Airbus Operations
12:30-13:25	Advance Air Mobility (Hall 3)	Regulation & Certification	Andra Steltemeier, HO Commercialization Airbus Urban Mobility
14:00-14:45	Aviation Future Lab (Hall 2)	Materials Matter - Cryo Technologies from Space to Aviation	Christian Rückert, Head of Sustainable Technologies R&T at Airbus Ulrike van den Bande, Project Leader Cryogenic Structures at Airbus
14:00-15:00	Defence Forum (Hall 3)	Heeresflieger in der Zeitenwende (Army pilots at the turn of an era)	Frank Fass, Head of Customer Support Management at Airbus Helicopters
14:15-14:55	Advance Air Mobility (Hall 3)	Cross sectorial cooperation - Booster for UAM integration	Andra Steltemeier, Head of Commercial Development at Airbus
16:00-16:45	Aviation Future Lab (Hall 2)	Smoothing SAF Take-off: Ensuring Financing and Scaling Production	Julie Kitcher, Chief Sustainability Officer and Communications at Airbus Siegfried Knecht, Head of CTO

Follow us

			External Affairs Germany, Airbus
Time	Stage	Topic	Airbus Speaker
17:30-17:45	Space Lab (Hall 4)	ILA #SpaceConnections presents: StarLab - The future space station	Manfred Jaumann, VP, HO LEO & Suborbital Programmes, Airbus Defence and Space

Day 2: Thursday, 6 June 2024

Time	Stage	Topic	Airbus Speaker
10:00-11:00	Defence Forum (Hall 3)	Pacific Skies - supporting German Air Force	Mike Schoellhorn, CEO Airbus Defence and Space
11:00-11:45	Space Lab (Hall 4)	ILA SPACE DAY - Defence session / Raumfahrt im Fokus der Zeitenwende (conference in German)	Mike Schoellhorn (In his role as BDLI president), CEO Airbus Defence and Space
11:45-12:30	Space Lab (Hall 4)	ILA SPACE DAY - Safety & Security Session - Security from Space for Earth	Wolfgang Dürr, Head of Global Business Space Exploration and Deputy Head of Institutional Space Business at Airbus Defence and Space
12:00-13:00	Defence Forum (Hall 3)	Logistic sustainment of flying weapon systems today and tomorrow	Nils Baake, Manager Business Improvement at Airbus Helicopters
13:00-13:45	Aviation Future Lab (Hall 2)	Civil aviation Non-CO2 effects of climate change – the industry perspective	Mark Bentall, Head of R&T at Airbus
14:00-14:45	Aviation Future Lab (Hall 2)	Competitive and clean: the ultimate aviation challenge	Klara Wittkowski, Head of RT Development and Partnerships and National Representative EU at Airbus
14:00-15:00	Defence Forum (Hall 3)	Future Combat Air System (FCAS) - The first steps	Clive Schley, HO FCAS at Airbus Defence and Space; Tom Grohs, FCAS Chief Engineer at Airbus Defence and Space
14:45-15:30	Space Lab (Hall 4)	ILA SPACE DAY - Space for climate and Earth action	Albert Zaglauer, Head of Earth Observation Systems at Airbus Defence and Space

15:00-15:45	Aviation Future Lab (Hall 2)	Alliance for zero-emission aviation: How to make hydrogen and electric flight a reality	Karine Guenan, Vice President ZEROe H2 Ecosystem at Airbus
16:00-16:45	Aviation Future Lab (Hall 2)	Composites Lounge live @ #ILA24	Mark Fette, Composites Technology Center / CTC GmbH (an Airbus company)
17:00-17:15	Space Lab (Hall 4)	ILA Space Day - Short final remarks 'Impressions of the day'	Alain Fauré, Head of Space Systems, Airbus Defence and Space

Day 3: Friday, 7 June 2024

Time	Stage	Topic	Airbus Speaker
10:30-10:55	Space Lab (Hall 4)	ILA #SpaceConnections Day - Aktuelle Programmplanungen der LSI zur Einbindung von Start-ups (panel in German) -> Airbus' focus: Up42	Jörg Plass, Head of Institutional Relations Germany, Airbus Defence and Space
13:00-13:45	Aviation Future Lab (Hall 2)	Aviation Game Changing Projects supported by Horizon Europe	Daniel Kierbel, EU Clean Sky 2 "Advanced Engine and Aircraft Configuration" Platform Leader & HyLENA project lead in Airbus R&T
14:00-15:00	Defence Forum (Hall 3)	Sustainability is more than just climate protection	Jo Müller, Head of Sustainability and Communications for Airbus Defence and Space
17:00-17:45	Aviation Future Lab (Hall 2)	Challenges and opportunities of digitalisation and AI in aerospace - From research into product application at ECOMAT Bremen	Moderated by Daniel Reckzeh, Senior Manager & Aircraft Architect at Airbus Operations GmbH Isabell Gradert, VP Central Research & Technology at Airbus Operations GmbH

Day 4: Saturday, 8 June 2024

Time	Stage	Topic	Airbus Speaker
13:00-13:45	Aviation Future Lab (Hall 2)	Flying in 2040	Patrick Fixmer, Technical Advisor at Airbus Commercial Aircraft

Day 5: Sunday, 9 June 2024

Time	Stage	Topic	Airbus Speaker
13:00-13:45	Aviation Future Lab (Hall 2)	Future of flying	Patrick Fixmer, Technical Advisor at Airbus Commercial Aircraft
