This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Director-General of Civil Aviation.

Civil Aviation Authority of Singapore

Supplemental Type Certificate

No. AWI/STC/0079

AIRBUS HELICOPTERS CANADA LIMITED

1100 GILMORE ROAD PO BOX 250,
FORT ERIE, ONTARIO CANADA L2A 5M4

Limitations and Conditions:

- 1) Approval of this change in type design applies to the above aircraft model only.
- 2) A copy of this certificate, Airbus Helicopters Canada Limited's Master Drawing List, MDL-13-003, and List of Compliance Documents as stated in Compliance Programme, CP-0379, must be maintained in the aircraft permanent records.
- 3) This approval should not be extended to other aircraft of this model on which previously approved modifications are incorporated unless it is determined to have no adverse effect on the airworthiness of the aircraft.
- 4) If the holder of this certificate agrees to permit another organisation to use this certificate to alter the product, the holder shall give the other organisation written evidence of that permission.
- 5) The holder of this certificate shall comply with SAR 21 Subpart C on the maintenance of all relevant documents and the need to inform all users of this change in type design of any updates to instructions for continued airworthiness.
- 6) The Limitation and Conditions listed in FAA STC, SR03494NY, and TCCA STC, SH14-31, shall also apply to this STC.

A handwritten signature in black ink is positioned above the CAAS logo. The logo itself consists of the letters 'CAAS' in a bold, sans-serif font.
