Evelop Airlines takes delivery of its first A350 XWB

@evelopair #airbus #A350

Toulouse, 28 March 2019 – Evelop Airlines, the Spanish carrier of Barceló Group's Ávoris travel division, has taken delivery of its first of two A350 XWBs, the world's most modern and eco-efficient aircraft family. The second aircraft will be delivered in 2020.

The A350-900, on lease from Air Lease Corporation, will be based at Madrid Barajas – Adolfo Suárez airport and deployed on long-haul routes to Caribbean destinations. It features a high comfort single class configuration with 432 seats. Passengers will enjoy more personal space, the quietest cabin of any twin-aisle aircraft and the latest generation cabin products, including individual onboard in-flight entertainment.

Evelop Airlines operates an all Airbus fleet of one A320-200, one A330-200 and three A330-300.

AIRBUS

Evelop Airlines first A350-900 taking off from Toulouse airport

The A350 XWB offers by design unrivalled operational flexibility and efficiency for all market segments up to ultra-long haul (9,700 nm). It features the latest aerodynamic design, carbon fibre fuselage and wings, plus new fuel-efficient Rolls-Royce engines. Together, these latest technologies translate into unrivalled levels of operational efficiency, with a 25 per cent reduction in fuel burn and emissions. The A350 XWB's Airspace by Airbus cabin is the quietest of any twin-aisle and offers passengers and crews the most comfortable flying
