Undisclosed lessor commits to 80 A320neo Family aircraft

#FIA18 #A320neo

London, 16 July – Airbus has announced the signature of a Memorandum of Understanding with a leading global lessor for 80 A320neo Family aircraft. The agreement was completed during the Farnborough Airshow. The commitment re-enforces the appeal of the world's bestselling single aisle Family to aircraft leasing companies.

Engine selection will be made at a later date.

Featuring the widest single aisle cabin in the sky, the efficient A320neo Family incorporates the very latest technologies including new generation engines and Sharklets, which together deliver more than 15 percent fuel and CO₂ savings from day one and 20 percent by 2020 as well as 50 percent noise reduction. With more than 6,100 orders received from over 100 customers, the A320neo Family has captured some 60 percent of the market.
