### Nepal Airlines takes delivery of its first widebody aircraft, an A330 [@NepalAirlines](#) [#A330](#) [#hifly\\_airline](#)

**Toulouse, 28 June, 2018** – Nepal Airlines has taken delivery of the first of two A330s, which it will lease from Portuguese lessor Hi Fly. These will be in addition to its two existing A320ceos, and will be one of the largest aircraft operating out of Tribhuvan International Airport. Situated at high altitude, only the most sophisticated of aircraft are capable of operating from this location, which is Nepal's gateway to destinations in the rest of Asia and beyond.
