

Airbus discloses share buyback transactions

Amsterdam, 6 March 2018 - Airbus SE (stock exchange symbol: AIR) started implementing a share buyback programme on 28 February 2018 for the sole purpose of covering its long-term incentive plan in shares. The repurchased shares will be redistributed to the beneficiaries of long-term incentive plans according to the relevant plan rules. The share buyback programme is expected to be completed by 2 May 2018.

The share buyback is undertaken pursuant to the general authority conferred on the Airbus SE Board of Directors by the 13th resolution to repurchase up to 10% of Airbus SE's issued share capital by the Annual General Meeting of shareholders of Airbus SE on 12 April 2017.

Airbus SE reports the following share buyback transactions from 28 February 2018 to 2 March 2018 under Regulation (EU) No 596/2014 of the European Parliament and of the Council of 16 April 2014 on market abuse ("EU Market Abuse Regulation").

Aggregate presentation (per day and market)

Issuer's name	Issuer's identifying code	Transaction date	Identifying code of financial instrument	Total daily volume (in number of shares)	Daily weighted average purchase price of shares	Market (MIC code)
