

Air Macau presents its first A320neo

#airmacau #A320neo #Airbus

Macau, 29th April 2019 – Air Macau has presented its first A320neo at a ceremony held at Macau International Airport. The aircraft is the 21st Airbus aircraft in Air Macau's fleet that already includes four A319ceo, six A320ceo and 10 A321ceo aircraft.

In total, Air Macau will receive eight additional A320neo and A321neo aircraft under leasing agreement in order to meet its fleet renewal and expansion programme.

The new aircraft features 158 seats (eight business and 150 economy seats). Selected for its outstanding operational efficiency, comfort and range, the A320neo will be deployed by the carrier on its regional services.

Air Macau's A320neo takes off during ferry flight

Featuring the widest single aisle cabin in the sky, the A320neo Family incorporates the very latest technologies including new generation engines and Sharklets, which together deliver at least 15 percent fuel savings at delivery and 20 percent by 2020. At the end of March 2019, the A320neo Family had received more than 6,500 firm orders from over 100 customers worldwide.
