### Spanish Air Force A400M arrives at FAMEX 17

[Santa Lucía, 25/April/2017] – The first Spanish Air Force Airbus A400M new generation airlifter has arrived this afternoon at Santa Lucía Air Base in México to be displayed at the FAMEX 17 exhibition.

The aircraft will be on static display during the show before returning to its home base in Zaragoza, Spain.

The photo shows the arrival of the aircraft at Santa Lucía Air Base.
