First Delta Air Lines A220-100 rolls out of painting hangar in Mirabel [@Delta](#) [#A220](#)

Mirabel, 14 September, 2018 - Delta Air Lines' first Airbus A220-100 was introduced this week after rolling out of the painting hangar at the A220 final assembly line in Mirabel, Québec. Delta will be the first U.S. airline to take delivery of the A220, featuring a state-of-the-art interior and delivering best-in-class fuel performance.

Photo Release

Now that the aircraft is decked out in Delta's livery, it will move to pre flight activities in the A220 flight line hangar in Mirabel before taking off for its first flight later this fall.

Delta's first A220 is scheduled to begin service in early 2019.
