EBACE 2018

#### Public presentation of first ACH130 delivered since the launch of Airbus Corporate Helicopters

**Geneva, 29 May 2018** - The ACH130 on display at Airbus' EBACE stand is the first of its type to be delivered since the launch of Airbus Corporate Helicopters (ACH) and represents the first time the aircraft is displayed in public.

The aircraft, delivered in the racing-inspired, in-house Stylence by ACH configuration, provides a high-quality yet lightweight completion, suitable for high intensity flights and transport in extreme comfort.

The aircraft, acquired by an unnamed customer, will be operated by Monacair. Frederic Lemos, Head of ACH, said, "The ACH130 combines unique passenger-focused design, exceptional single-engine performance and first class quality and comfort, making it very popular with private customers worldwide and a favourite of world-leading VIP and charter operator, Monacair, who operate a total fleet of eight ACH130.
