

Laura Todd

Vice President of Space Exploration Future Programmes
AIRBUS DEFENCE AND SPACE

Laura Todd is Vice President of Space Exploration Future Programmes at Airbus Defence and Space based in Toulouse, France. In this role she manages new programmes and shapes the strategy of 'What is Next in Space' for human and robotic exploration; how to enable and put to good use the full human experience in Space from Low Earth Orbit to the Moon and beyond.

Laura joined Airbus in 2005 and has held multiple positions there in areas including Procurement, Operations, the A320 Programme and Customer Services. She is passionate about lean agile transformation and Customer experience always with the focus of delivering value for the **'Why?'**.
